Faith Hope Love for a change on Election Day 2020

WAKE UP SPEAK UP STAND UP

As people of faith, we do not seek to elect only those who believe as we do. We believe that our faith calls us to advocate for the common good for all.

For that reason, we will elect leaders who commit to an ethic of love in their public and political lives.

Please join others who are passionate about the 2020 election.

BOOK REVIEW

The March 19th Book Review will be given by Rev. Kent Little in the Mead Chapel. Rev. Kent is sharing Killers of the Flower Moon: the Osage Murders and the Birth of the FBI by David Grann. The book investigates a series of murders of wealthy Osage people that took place in Osage County, Oklahoma in the early 1920s – after big oil deposits were discovered beneath their land. After the Osage native Americans were awarded rights in court to the profits made from the oil deposits found on their land, the Osage people prepared to receive the wealth which they believed they were legally entitled to from sales of the oil deposits. However, a long and complex process of custodianship was imposed upon the distribution of the profits from the sales being made for very high profits and very few, if any, of the Osage people saw any of the money.

Please join us on March 19, 10:00 am in the Mead Chapel. All are welcome.

Greeter Coordinator Needed!
FUMC strives to be a welcoming and warm community of faith, and a big way we fulfill this goal is through our Greeting Ministry! We are in need of a Greeter Coordinator who will work with Candice Nielsen to schedule and train greeters for the 8:30 and 10:30 am services. Please help us continue to be a place where all feel welcome as a Beloved Child of God.
Questions? Contact Candice Nielsen candice.nielsen@fumcomoaha.org or Dave England daveengland135@cox.net.
Thank you to Marvel Maning for helping coordinate earlier this year.

From your Eco-Team:
As we mark the 50th Earth Day (April 22, 2020), Christians can reflect on how caring for God’s creation is connected to our faith. Drawing on the beloved hymn For the Beauty of the Earth, each week of this 40-day Lenten devotional focuses on a different aspect of the splendor of nature, how God nurtures our spirit through creation, and action ideas to protect our earth home.
