

Sunday School

A FUMC Omaha Children's Programming Series

We are committed to Christian education, as well as encouraging families to worship together. Lessons are grounded in a progressive theology that affirms all people as sacred, beloved and beautiful. Children explore what it means to "love God and love your neighbor as yourself" through different spiritual practices. We teach children that they too can make a difference in our community with their prayers, presence, gifts, service and witness.

Programming Highlights

Guest Artists

We will be bringing in guest artists that will expand community connections for our children, providing them with a unique way to explore their faith in the world and expand their creativity.

Intergenerational

These Sundays include lessons designed for those of all ages to explore God's beauty through nature. We encourage everyone to join us, because we believe that learning is life-long.

Music

Children play a vital role in worship here at First Church! Our hope is that by infusing our lessons with music, children will be inspired to find their voices and share their love of God with others.

Special Celebrations

These special events are designed for community to spend time together outside of traditional worship settings. Children are always encouraged to bring friends and family to Sunday School, but these events provide inclusive opportunities for all to connect.
