## FUMC Omaha Sunday Offerings for Children

We commit to liberative Christian education, encouraging families to worship & wonder aloud together without pressure to seek “answers.” Time together is rooted in progressive theologies focused on experience, embodiment & repair that affirm all creatures as sacred and beloved. We explore how to “love God and love your neighbor as yourself” through a *Secular as Sacred* approach by engaging in practical, public action. This reinforces to children they are powerful & agential now & they should act justly in community with their hands, feet, hearts, voices & leadership.

**WONDER-Sundays Time occurs after Littles & Middles Choir, from 950a-1035a unless noted otherwise.**

**WONDER.  
EXPLORE.  
CREATE.  
CONNECT.  
BELONG.**

WONDER-Families co-creates brave spaces with children & families using process-based learning so we embody the Sacred authentically in voice & in action.

## Life IS WONDER-fully Neurodiverse!

Learning is meaning-making. It's playful & plays with convention. It's create-ive. It's sensory, experiential, and discovery-based. Discovery disrupts! It builds new things, new ways of living together. This is why we strive to be a space for all to discover themselves & the Divine in the way *best for them & for community-building*. We aim to co-create spaces with families & children celebrating neurodiversity. All flourish with their gifts, perspectives, & wisdom.
